Stationery Requirements for 2023

Dear Parents and Carers,

Below is a list of stationery requirements for each Stage in 2023. Our P&C have put together a fundraiser to promote community engagement and we have included a flyer with further information on how you can be involved. Alternatively, you are able to purchase the items yourself during the school holidays to enable the students to be prepared for their learning in 2023. It would be greatly appreciated if students could have their equipment ready for the first day in their new class next year.

Please ensure all equipment for personal use is clearly labelled with your child's name. Throughout the year, students may need to purchase replacement equipment as materials are used, particularly pencils, pens, glue sticks and whiteboard markers.
