Made from a parachute-type material to keep the Wollongong winds out. Jackets and pants are sold separately and can be mixed and matched with other navy bottoms and the dress.

It is more important to ensure the children's feet are comfortable and protected during school and active activities,

## HOW MUCH DO I NEED? A FREQUENTLY ASKED QUESTION

It really depends on how often you do laundry. The blue polo may last more than one day, especially in winter when it is not as hot, the white shirts soil easily. Dresses are blue, so if you have a dress-wearer, you can most likely get away with fewer sets of clothes. Jumpers and jackets are not included in these estimates.
