Term 1, Week 6

## Weekly Message

Dear Parents,

We are now over halfway through Term 1 and there are plenty of things to talk about and a number of important events coming up.

### Director Meeting

On Monday morning I met with my Director, Dr Margaret Turner to discuss our current operations and to negotiate my goals for the year. As always, this was a very productive meeting as Dr Turner is a very proactive and inspiring leader who is passionate in her support of our school and our students.

### Community Hub

On Monday I attended a Community Hubs Advisory Meeting which involved a number of agencies who work with refugees and non-English speaking families, so that the Wollongong Hubs can link with other appropriate support services. It was a very productive meeting and we were able to reflect on the effectiveness of the three Hubs, and on ours in particular, in being able to make connections between non-English speaking mothers, children and the school.

## **Keira Community of Schools Leadership Ceremony**

On Tuesday morning our 2019 Captains and Vice-Captains travelled to Keira High School to participate in the annual Keira COS Leadership Ceremony along with the Leadership Teams of other feeder schools from our Community of Schools. It was a very enjoyable morning and marks the first official external event for our captains. It is always a proud moment for me to introduce the new school leaders to my COS colleagues and also an opportunity for our Captains to tell the audience a little about their school and what leadership means to them. Even though they were asked different questions to the ones previously provided, our Captains responded magnificently, speaking clearly and eloquently about Wollongong Public School and their place within it. I would like to congratulate Will, Evie, Heath and Vera for their involvement.

## **P&C Meeting**

On Tuesday evening we held our March P&C Meeting. We had a good roll-up of parents and were able to discuss a range of issues from the new Positive Behaviour for Learning (PBL) definitions to an update on the challenges we are facing in our building program. Everyone is most welcome to attend our next meeting where we will be electing the Executive for the P&C for 2019 at our Annual General Meeting. My apologies for my mistake in last week's newsletter where I stated that it would be held this month.

## **School Photos**

Next Wednesday we will have our annual school photos. All families should have received an order envelope. Please contact our school office if you have not received one. Full school uniform is to be worn on the day – no coloured tops please.

## **Cross Country Carnival**

Next Friday will see all students in Years 3-6 and 8 year olds from Year 2 walk to Stuart Park to participate in this year's School Cross Country event. All students must participate unless they have an explained injury/illness from a parent/carer. It will be a great event and, of course, all parents are welcome to attend.

## **K-2 Cross Country**

On Friday 15th March at 11:30am -1 pm, K-2 will be holding their cross country carnival at school. Students will race in their age groups around the bottom grass and take part in some fun running events with their peers and teachers. This is always a fun event which builds school spirit and allows students to earn points for their house. Please ensure your child is wearing their sport uniform with appropriate running shoes on this day.

### **Road Safety**

The Council Rangers have been monitoring our school pick-up once again, so please remember that the Church Street zone is a two minute pick-up / drop-off zone at beginning school and end school times. At these times, you cannot park your car and walk away or you will be fined. The zone is there to make it safer for our children as they arrive at and leave school, so please abide by the rules and keep our children safe.

Have a happy and safe weekend,  
Kind regards,

**Harold Cosier**

### **Parent Helpers Needed**

Mr McQueen in the library has a large number of library books that need covering and is looking for parent volunteers to help out. Parents can cover books at school in the library office or can take books home to cover them. Mr McQueen will provide the books, the contact and the scissors if parents can provide their time. Thank you.

### **Anti-Racism Officers 2019**

Wollongong Public School is committed to providing a safe learning environment for every single one of its students regardless of their race or religion. In order to ensure that WPS remains a place of racial and religious equality, Anti-Racism Contact Officers (ARCOs) function within the school.

Ms Leah Early and Mrs Micaela O'Reilly act as the ARCOs for our school. If at any time you have a concern about racism in our school, you are encouraged to contact Ms Early or Mrs O'Reilly so that your concern can be resolved. It is our aim to work with all of our school community to ensure that we do the very best we can to provide a productive, safe and enjoyable experience for our students, parents and carers.

For more information, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/multicultural-education/anti-racism-education/complaints-of-racism>

### **Harmony Day**

Australia is a vibrant and multicultural country — from the oldest continuous culture of our first Australians to the cultures of our newest arrivals from around the world. Our cultural diversity is one of our greatest strengths and is at the heart of who we are. It makes Australia a great place to live.

On Thursday the 21st of March, our school will celebrate Harmony Day - a day to celebrate the diversity of our students and our community. Last year our Harmony Day event was amazing thanks to support from our P&C, volunteers, community performers and staff. This year, expect another exciting day filled with international foods, costumes and performances.

More information will be on its way to you soon but for now, save this date in your calendar!

## The School Office

This year to help the office run more efficiently (in our temporary office) we will be asking all parents/caregivers to pay for any school activity online to try and eliminate the amount of cash brought into the office. All payments for school activities \$5.00 and over are to be made online. This process eliminates money going missing, being left in students' school bags and not having the right amount of cash – as the front office **does not** give change. If you have any concerns with this process, please see the front office.

**Please make sure you return a signed permission note for every online payment made.  
See below for the easy / secure way to pay if you are not familiar with the process.**

## How to make online payments to Wollongong Public School?

### Make Online Payments - ONLY FOR SCHOOL ACTIVITIES – NOT BOOKCLUB / NOT SCHOOL PHOTOS

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting \$ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other'. Use this to pay for items not covered in the previous headings. 'Other' can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter fill in anything with a \* (with an asterix)

These details are entered each time you make a payment as student information is not held within the payment system. **There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields OR there is also the option to enter the Student Registration Number and Invoice number these are not used at our school, please leave blank.**

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

As required by the NSW government all menu items sold each day, are to be listed as Everyday or Occasional food to allow parents and caregivers informed choices.

The NSW state government states menu items are required to be 75% everyday and 25% occasional.

Made Fresh is proud that we have exceeded this requirement. We have kept our prices reasonable even after an increase to the levy for the "container scheme fee". Our suppliers have also increased their prices on eligible/quality goods under the new "star system".

Your child's healthy eating is paramount to our business. Thank you for your ongoing support.
