Term 1, Week 9

## Weekly Message

Dear Parents,

We have had a great week with some exciting activities and quite a few events coming up as we move towards the end of term.

## Building Update

We have had some good news in terms of our administration refurbishment in that some questions around the development have been resolved, and the builders have been given the all-clear to recommence work. This means that we will see some action in reconfiguring the office area in coming days. I understand that the earthwork preparation for the main learning area is almost complete, and the builders will be able to start the slab work once approval is given.

## P&C Meeting – Annual General Meeting

Next Tuesday evening at 6.30 pm we will be holding the Annual General Meeting of the P&C with the regular meeting immediately following that. All are most welcome to attend.

## School Picnic / Cross Country Carnival

On Wednesday we were finally able to run our Cross Country events in conjunction with our school picnic. It was a magnificent day and my thanks go to Mrs Nelson and Miss McKechnie who co-ordinated the two events and organised the change of venue at very short notice on Tuesday afternoon. Of course there are many other people who contributed, all the teaching and support staff, our General Assistant Mr Summerfield, who came with us to help out on the day, our Admin staff who handled the huge volume of permission notes, the many parents who helped out on the day and of course, our students who participated with enthusiasm and energy.

### **Parent Teacher Interviews**

All parents would be aware that interviews with teachers have been scheduled for various times next week depending on the availability of your child's teacher. Please make sure that you make the most of this opportunity to get as much information as possible about your child's learning and how you can support them in that learning.

### **South Coast Representative**

In some exciting news, William Bu has made the South Coast PSSA Hockey team and Hannah (Soccer) and Archie (Rugby League) have both been successful in their respective sporting efforts and are now representing to trial at the South Coast level. Congratulations and all the best in their upcoming games.

### **Easter Hat Parade**

Over the next few days, all our students will be constructing their hats for the Easter Hat Parade, one of the highlights of our school calendar. The Parade will be held in and around our hall at 2pm next Friday replacing our regular assembly.

### **P&C Movie night**

Also next Friday, at 5.30pm, our P&C will be holding one of their regular Movie Nights, with the movie this term being 'Incredibles 2'. There will be a Sausage Sizzle operating with tickets \$10 per child at the door. Please note that children must be accompanied by an adult if they attend this night.

Have a happy and safe weekend,  
Kind regards,

**Harold Cosier**

## WPS Cross Country

Thank you to the staff, students and community of WPS for your patience, enthusiasm and flexibility surrounding Cross Country for 2019! Combining the Dam Picnic and Cross Country could not have taken place without us all working together. On the day, our fantastic family members were brilliant and your assistance with helping was nothing short of amazing.

A special congratulations to the students and their efforts in running an authentic cross country course. District Cross Country is held in Term 2. All students who will be attending District will be notified before the end of Term 1.

## P & C News

The Wollongong Public School P&C is selling the Entertainment Books again this year! Buy a digital version now to have on your phone whenever you need it.

So far the Early Bird Special is selling like hot cakes. When you purchase the book for \$60 you automatically receive \$70 in vouchers to spend at Woolworths & CellarMasters!

Last year I purchased the digital version for my phone and estimate that I received about \$800 worth of value just using it at places I was already going to ie: Symbio, Inflatable World, FlipOut, Hangdog, Luna Park, Madame Tussauds, Sydney Tower and Taronga Zoo.... not to mention all the restaurants.

The digital version is also easy to share between partners, etc - just use the app and use the login on different devices.

As required by the NSW government all menu items sold each day, are to be listed as Everyday or Occasional food to allow parents and caregivers informed choices.

The NSW state government states menu items are required to be 75% everyday and 25% occasional.

Made Fresh is proud that we have exceeded this requirement.

We have kept our prices reasonable even after an increase to the levy for the "container scheme fee". Our suppliers have also increased their prices on eligible/quality goods under the new "star system".

Your child's healthy eating is paramount to our business.

Thank you for your ongoing support.
