Term 2, Week 3

Weekly Message

Dear Parents,

We have reached the end of Week 3 and everyone is very busy with lots of activities happening both inside and outside our classrooms.

Election Day Sausage Sizzle

Tomorrow, Saturday 18th May, is of course the Federal election and our school hall will be a polling booth. Our P&C are running a sausage sizzle throughout the day, so if you are coming along to vote, please buy a sausage sandwich or a cake to help raise funds for our school. Our thanks go to all of you who have provided cakes or offered to help out on the day as without your help we cannot hold events such as this. I hope to see you there.

Mothers' Day Stall

The Mothers' Day stall last week was an outstanding success with well over \$1000 being raised. More importantly many children were able to purchase a little gift for their mum or grandma or other special person in their life.

NAPLAN

This week our Year 3 and Year 5 students have completed their NAPLAN tests. It seems that we were probably fortunate in not being involved in the online testing process, as other schools have reported some quite challenging delays during the delivery of the tests. All of our test sessions were completed without incident, and we will receive the results later in the year.

P&C Meeting

We held our P&C meeting last Tuesday evening with a good roll-up of parents and had some great discussions around fundraising and social events for the remainder of the year.

Building Update

I received some good news this week and can let you know that an assessment of the possible old well on our Learning Building site will commence next Wednesday. If nothing of significance is found in that area then work on the footings and slab can finally commence. I will keep you informed of the progress there.

I was fortunate enough to be given a tour through the Administration area this week which is all taking shape, and could visualise what the area will look like, and I can assure you it will be very impressive! On a sadder note, Simon Hindmarch, our Builders' Site Manager was advised late this week that he is to be redeployed to a worksite in Western Sydney where they need his expertise. We will miss his contributions as he has been a great advocate for us in the building process and has built some good relationships here at the school.

Parental Use of Toilets

We have noticed a number of parents using the student toilets in the afternoons. Could I request that in the interests of child safety, any adults needing to use a toilet, only use one of the disabled toilets located at the hall or in the new block near the playing fields.

Have a happy and safe weekend,
Kind regards,

Harold Cosier

Learning Maths Kits - Help Needed

Wollongong Public School are organising 'Learning Maths Kits' for our class teachers in early stage one and stage one for our students to use in class. If you can help in anyway by laminating, cutting and putting the kits together, that would be greatly appreciated. You can contact Evoon on 0439 898 092 for more information. All preparation will be done in the Hub.

When: Thursdays and Fridays of Weeks 4 & 5 (Term 2)

Thursdays the 23rd, 30th of May the Hub will be available from 9.00am - 2:30pm

Fridays 24th, 31st May from 12.00pm - 2:30pm

From the Admin desk

Car Pick Up Signs

This week car pick up signs will be distributed to all the families that have joined us since the start of the year. Please be aware that the signs are only issued once and there is only one per family.

If your sign has been misplaced or damaged you can design one yourself. Keep in mind that the writing needs to be bold and clear so it can be seen at a distance.

You may wish to encourage your children to be involved in the design. Most importantly the sign must be very visible from your car at pick-up time.

Woolworths Earn and Learn

Woolworths Earn and Learn stickers have commenced and all parents are invited to collect Earn and Learn stickers when shopping at Woolworths. This supports our school by providing valuable equipment. A collection box will be available at the office.

More information can be found at: <https://www.woolworths.com.au/shop/discover/earn-and-learn>

Second-hand school uniform shop

The second hand uniform shop is now open on Tuesday and Friday morning from 8.30am-9.00am during Term 2 at the school Community Hub.

All donations of washed, clean uniforms are welcome. These can be dropped at either the Community Hub or at the main office.

Help raise funds for your school!

For any further information please contact Evoon on 0439 898 092

As required by the NSW government all menu items sold each day, are to be listed as Everyday or Occasional food to allow parents and caregivers informed choices.

The NSW state government states menu items are required to be 75% everyday and 25% occasional.

Made Fresh is proud that we have exceeded this requirement. We have kept our prices reasonable even after an increase to the levy for the "container scheme fee". Our suppliers have also increased their prices on eligible/quality goods under the new "star system".

Your child's healthy eating is paramount to our business. Thank you for your ongoing support.
