Term 3, Week 2

## Weekly message

Dear Parents,

Welcome back to Term 3 at Wollongong Public School. I trust that you had an enjoyable break with your children, and know that they have returned refreshed and ready to re-engage with their learning. Some important information from this week and coming weeks includes:

### NAIDOC Celebrations

At our assembly today students shared with us some of the activities that they have enjoyed as part of celebrating NAIDOC Week. Our thanks go to Ms Clapham for all the work she put into organising the celebrations and of course to all the students who contributed during the week.

### Choral Festival

Last night I attended the annual Wollongong Schools Choral Festival in the Town Hall where our choir joined students from other schools in performing individual songs and combined choir performances. It was a thoroughly enjoyable night and I would like to commend our students on their performance and their behaviour. A special mention to William B and Freja R for their beautiful solo performances and to Adele M for her well-rehearsed introduction of the WPS choir. I would also like to thank Miss Johanna Smith who stepped in as the Choir Leader following Mrs Beckinsale's departure. Well done everyone!

### Uniforms

Just a reminder that students need to be wearing their full winter uniform every day (blue shorts/slacks white polo and blue sweatshirt) and black shoes or plain (non-fluoro) joggers. On sport

days (Fridays or designated carnival days) it is appropriate to be wearing our sports top and shorts/trackpants.

### **P&C Pie Drive**

For those of you who have ordered pies through the P&C Pie Drive, please note the following information: Collection date is Thursday 8th August from 1:00pm - 3:30pm. If you would like your order to go home with your child instead, could you please email [pc.wps@outlook.com](mailto:pc.wps@outlook.com) confirming your name and your child's name and class. It is important that all orders are collected in person or with your child on the day as there are not suitable storage facilities at the school.

To keep our waste and use of plastic to a minimum we are asking that those families that have placed an order to drop off some suitable bags to the office before Thursday 8th August. Please make sure that your child's name and class is clearly marked on each bag, or there are labels to attach available at the office.

### **Space Watches**

We have seen some of the new Space Watches that are phone capable appearing at our school. Please be aware that if you choose to provide your child with such a device it will be treated under school policy as a phone and should be left at the school office as per conventional mobile phones.

### **PSSA Sport**

Those of you whose children nominated to participate in PSSA sport this term are reminded that it commences next Friday August 9<sup>th</sup>.

### **Early/Late Arrival at School**

We are seeing a significant number of students consistently arriving late to school. Please remember that lessons commence at 9.00 am and that is the best learning time of the day. In arriving late, students not only miss out on important learning, but also disrupt their classmates' learning. Please help us to give all students the best possible opportunities to be great learners!

We are also seeing a number of children arriving very early. Please remember we do not have staff on duty before 8.30, and as we are located in a busy area, there are many passers-by and vehicle movements in and around the school. We do not want any misadventures to occur for your child, so if you do need to drop your child early, please use the Before School Care facilities located in C Block.

### **Building Update**

This weekend will see some more developments around our Administration area and also on the learning building site. Landscapers are already on site outside our Administration building, and there will be new edging and retaining walls installed over the weekend. We also will see the installation of the new Administration door, which is quite beautiful and will make our entrance look much more inviting.

Our learning building site will have the stormwater work completed and some of the first structural pylons will be installed over the weekend, with the initial ground floor slab scheduled for completion in the next couple of weeks.

### **Education Week**

Just a reminder that Education Week is scheduled between the 5<sup>th</sup> and 9<sup>th</sup> of August. We will be having an open day session between 11.30 and 1.00 with parents able to join their children for a picnic lunch at 1.00pm.

Have a happy and safe weekend,  
Kind regards,

**Harold Cosier**

## Deputy Principal News

### Positive Phone Call Home

As a way to enhance our celebrations of student's success, each stage will identify 1 student who is to be acknowledged for their effort, achievement or growth. Each week I will request for the child to join me to celebrate and be involved in a phone call home. I will be ringing to share your child's identified success story, highlighting their amazing achievement. We see this as another way to build partnerships with our community and share with you some of the outstanding effort that children are displaying.

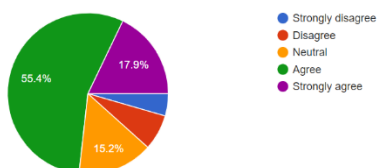

### Reports Survey Results

A big thank you to all families who completed the reports survey providing us with your feedback. We had 120 responses which gives us great insight into your thoughts and opinions around our this process. Teachers also completed a survey giving their perspectives and opinions. Below is a summary of the results as well as some clarification, in response to comments received.

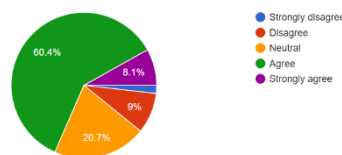

#### Key Results

- We received individual responses from 26 different language backgrounds and from all age groups across our school;
- Both teachers and parents value the general comment and effort marker the most, closely followed by English and Mathematics comments;
- A large proportion of families and teachers feel confident with information provided for academic ability, social and emotional development and learning habits;

I feel I gain a clear understanding of my child's academic ability.  
112 responses

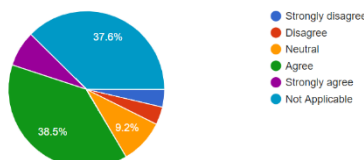

I feel I gain a clear understanding of my child's approach to learning and learning habits.  
111 responses

- English as an Additional Language/ Dialect (EAL/D) was new to our reports this year and was generally well received. We acknowledge that we need to clarify aspects of who receives these comments as the information received at enrolment is used when reporting EAL/D phases;

I feel the EAL/D grade and comment improves my understanding of my child's English language proficiency.  
109 responses

- Both teachers and families raised points about reporting comments being focused on strengths and areas to develop, rather than being about skill acquisition; and
- Families feel the grades need some attention and teachers feel it is necessary to break down the English and Mathematics grades more. Feedback has been that some areas cover a large spectrum of skills that has to be averaged out for an overall score.

## Clarification

- Grade allocation- The NSW Department of Education states that, "Schools will use the five point achievement scale to report to parents for students in Years 1 to 10. Achievement is judged in relation to syllabus standards." This is the grading scale from outstanding through to limited that is explained on the front page of the report. Please remember that a sound achievement grade indicates that students are meeting the expected stage outcomes for their stage which is a great achievement.
- The student comment received positive and constructive feedback and this is something we value as a school. Our purpose is for students to have an active voice throughout their individual learning journey. We are also assisting children to develop their skills to reflect upon their learning and help them to engage in future directions, thereby striving to build upon their current skills.
- Reporting Timeline- The NSW Department of Education states that, "The parents of all students are to be provided with a written report twice a year.' Part of our reporting process that has been successful is the parent teacher interviews held at the end of Term 1. We also acknowledge there are times throughout the year that require another parent teacher interview. Please feel free to contact your child's teacher to arrange this.

Overall the feedback received from staff and parents had similarities and we value everyone's feedback. We will continue to review our reporting processes with the hope to enhancing these for Term 4. Once again thank you for your contribution and we look forward to hearing your ideas on other areas of our school soon.

I hope you all have a wonderful weekend. Wishing you many happy moments in the week ahead.

Kind regards,  
**Matt Richards**

## Library News

Term 3 is a busy time in the library. Book Week is running from August 26 – 30. During this week we will be having a book fair and children in years K – 2 will be having a visit to the Wollongong Public Library for a performance. On Thursday August 29 we will be having a Book Parade so get your costumes ready.

In the lead up to Book Week we will be having a performance from Harrison Craig. Harrison is an author, singer and inspirational speaker who first rose to prominence by overcoming a stutter to win the second season of The Voice.

**Put these dates in your diary.**

**Monday August 19 – Harrison Craig Performance 2pm – 3pm**

**Monday August 26 – Friday August 30 Book Week and Book Fair**

**Wednesday August 28 – K-2 Excursion to Wollongong Public Library 12.30pm – 2.30 pm**

**Thursday August 29 - Book Parade 2pm – 3pm**

## Chess Competition

Last Friday was the last round of Illawarra Primary School Chess Competition. This year Wollongong Public School entered three teams. Our teams took out first and second place in the competition and our A team will now go on to compete in the South Coast Regional competition. Congratulations to everyone who took part!

**Stephen McQueen**  
**Teacher Librarian**

## **Instructional Leader Update by Mrs Neaves and Mrs Critoph**

Throughout Term 3 Mrs Neaves and Mrs Critoph would like to celebrate the achievements of our K-2 Literacy and Numeracy learners. Each week we will be contributing to the Wollongong Public School newsletter by sharing some of the wonderful learning that our students are engaging in and also celebrating the achievements of teachers.

This week, the teachers participated in a K-2 meeting where they moderated student writing samples in a shared marking session. In New South Wales schools this is known as a Consistent Teacher Judgement session and provides teachers the opportunity to engage in rich discussions about their learners. Engaging learning opportunities are then planned based on the evidence from these writing samples and discussions.

The purpose of these meetings is to provide teachers with time together to ensure that they are continuing to provide a consistent approach to marking student work. It also provides a useful insight into what lessons should focus on to ensure that students are continually improving.

**Early Stage 1 marking session**

**Stage 1 marking session**

### **Upcoming Events**

In Week 5 of this term, Mrs Neaves and Mrs Critoph will be inviting members of the community to join us in a Home Reading Parent Information session. We will be conducting both a morning and afternoon session as follows:

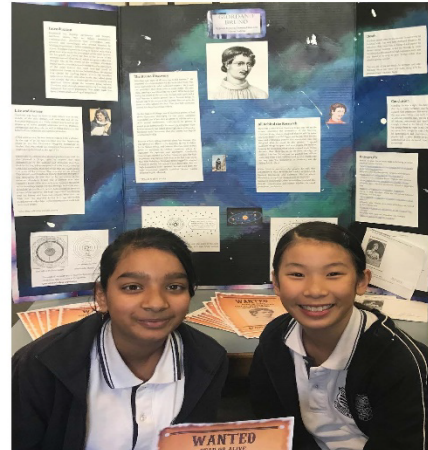

**Monday 19th August 2019 9.00am**

**Tuesday 20th August 3.15pm**

**Please refer to the flyer in this newsletter for more information.**

# History Challenge

The history challenge took place on the 24th of July 2019, with 5/6M, 5L and 6S. This year's topic was 'People and Power'. Many visitors came to look at the students' quality projects. They were impressed by the atmosphere, engagement and the student's dedication. Some students dressed up as characters, representative of their history challenge and others had fun activities and highly visual presentations.

Before the official event started, students from a variety of different WPS classes came up to view the projects. Most of them were intrigued and impressed. This prepared the students for the real history challenge that was later on in the day.

The event was from 2:15pm to 3:30pm, students spent a whole term on their projects and each of them did very well in verbally presenting them to the community. At the end of the day there was a very good outcome and everyone went home with a happy face.

By Nina and Andrew - 6S 2019

## Handmade Icecream Truck Artefact -

Our group (Calista, Chloe & Freja) researched 'Suffragettes and Modern Feminism'. Chloe created 74 clay icecream trucks to represent Kate Sheppard's most successful petition which almost 32,000 women signed. That particular petition was most recognisably measured in icecream trucks (74).

## Buddies - 6S and KL

This year, 6S have enjoyed working with their buddies on many projects. We have visited our buddy class, KL, regularly. We have participated in various activities, including learning Maths using dice and units to add different numbers together. KL have also worked on advancing their literacy skills by listening to us read... and they have been reading to us too!

During NAIDOC Week, we worked together to create a giant (one metre long) platypus using Aboriginal designs. We also made PBL NAIDOC badges for our kindergarten buddies to wear.

Roopam & Cairo - 6S, 2019

## Processes Lesson

On Tuesday, 30th of July, the father of our own Scott Moore came to the 6S classroom to deliver a lesson on processes.

We set up the tables so that students could make different parts of a lego toy, while someone transported the finished pieces to different tables to be either be added upon, checked for quality or recycled into component parts and redistributed. Mr Moore gave us 5 minutes at a time to create as many finished pieces as possible. After each production run, Mr Moore helped us to make slight alterations to our production process, which eventually ending up in the “sacking” of the transportation, and the tables being rearranged with production assembly simply passing down the line, like a conveyor belt.

Mr Moore also added cost to the already confusing and chaotic yet well planned production schematic. Mr Moore highlighted that sometimes bigger isn't necessarily better when it comes to money and production.

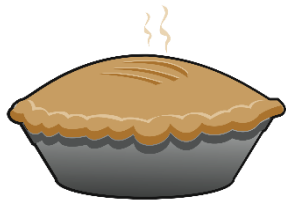

The program taught us many valuable lessons about decision making, money and the way that some production companies are run. We definitely enjoyed the session and learned a lot as well.

**Thank you Mr Moore for taking time from your day to share these valuable lessons. We appreciate your time.**

Quinn and Scott, 6S 2019

## Pie Drive Update

Collection date is Thursday 8th August from 1:00pm - 3:30pm in the hall. If you would like your order to go home with your child instead, could you please email [pc.wps@outlook.com](mailto:pc.wps@outlook.com) confirming your name and your child's name and class. It is important that all orders are collected in person or go home with your child on the day, as there are no suitable storage facilities at the school.

To keep our waste and use of plastic to a minimum we are asking that those families that have placed an order to drop off some suitable bags to the office before Thursday 8th August. Please make sure that your child's name and class is clearly marked on each bag, or there are labels to attach available at the office.

## COME ALIVE FOR SOUTHERN STARS 2019

Rehearsals for Southern Stars 2019 **COME ALIVE** are in full swing, with public school students taking part in a wide range of dance, music, drama and vocal rehearsals around the Illawarra - and the state.

**COME ALIVE**, featuring 3000 public school students, will take place over four performances at the WIN Entertainment Centre in Wollongong on Friday August 23 (10am and 7.30pm) and Saturday August 24 (2pm and 7.30pm).

This year **COME ALIVE** features circus, the NSW Millennial Marching Band, 2000 dancers, a 600 strong choir, a full orchestra, our hugely popular boys vocal ensemble, the Aboriginal Dance Ensemble Yanggaa Garaba, and the amazing talents of the best featured student vocalists and performers in Southern NSW, and much, much more!

You don't have to know someone in the show to buy a ticket. Southern Stars is a world-class arena spectacular show which is suitable for all ages, and most of all is entertainment at its finest. Buy your tickets now before they sell out!

Remember to purchase your tickets **ONLY** through the registered ticket seller - Ticketmaster at: [www.ticketmaster.com.au](http://www.ticketmaster.com.au)

You can keep up to date with the show's progress with pictures and video from rehearsals uploaded daily to our Facebook page **Southern Stars – The Arena Spectacular** and our Instagram page at **southernstarsarenaspectacular**.

## Southern Stars 2019- “Iconic”

Dear Parents/Caregivers

Southern Stars is a highly professional demonstration of the excellent work in **Creative Arts** occurring in Public Schools in the Illawarra and South Coast Region. 30 students from Wollongong Public School are performing in Southern Stars this year. This spectacular show will be at the **Wollongong Entertainment Centre**.

All students of Wollongong Public School are invited to watch the matinee performance on **Friday, 23rd August, 2019** (this performance is only for school students **not** parents).

If you would like your child/ren to attend the matinee performance please fill in the attached permission slip with your payment of **\$30.00** as soon as possible to the front office. **We have only received a limited number of tickets this year, so we will have to work on a first in first served basis.**

Regards,

**WPS Southern Stars Team**

**IF YOUR CHILD IS PERFORMING IN SOUTHERN STARS YOU DON'T NEED TO BUY THEM A TICKET.**

Parents wishing to see the show need to purchase their tickets through Ticketek.

## DOUBLE DELIGHT FOR ACTIVE KIDS

Thanks to the Active Kids vouchers local kids are keeping active while their parents are keeping the cash.

I am so pleased to advise that from **01 July 2019** each school-enrolled child will now be able to access **two \$100 Active Kids vouchers** per year.

The money will help you pay registration costs for sport and recreation, so that your kid(s) can participate and stay active all year-round.

Families across the region keep telling me how much the Active Kids Vouchers help them manage the cost of living. Now with **two Active Kids \$100 vouchers per school enrolled child**, you can keep even more money in your back pocket while your kid(s) stay happy and healthy.

Since the Active Kids program was launched in 2018, more than one million vouchers have been redeemed and more than \$100 million saved by NSW families.

It is a big win for NSW when more kids can participate in sport because of the Government's drive to take down the barriers to expensive registration costs.

Whether it is soccer, scouts, AFL, rugby, netball, golf or volleyball, you're sure to find an activity your kid(s) will love. Active Kids really is making a difference to children's participation in sport and active recreation in NSW.

From January – June there was an overall increase of 13 per cent in the number of Active Kids' vouchers created, including a 17 per cent rise in vouchers created for girls following an influx of registrations for dance, gymnastics, tennis and swimming Active Kids providers.

These are incredible results and demonstrate why the NSW Government is investing an additional \$40 million this year to expand the Active Kids program."

From 01 July, parents of school-enrolled children can access a second \$100 Active Kids voucher to use towards registration and membership fees for sport and active recreation each year. For further information visit [sport.nsw.gov.au/activekids](http://sport.nsw.gov.au/activekids) or call 13 13 02.

Popper 100% juice (3 Flavours)	\$2.50
Milk 300ml (plain)	\$2.50
Light Milk 300ml (3 Flavours)	\$3.00

As required by the NSW government all menu items sold each day, are to be listed as Everyday or Occasional food to allow parents and caregivers informed choices.

The NSW state government states menu items are required to be 75% everyday and 25% occasional.

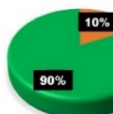

Made Fresh is proud that we have exceeded this requirement.

We have kept our prices reasonable even after an increase to the levy for the "container scheme fee". Our suppliers have also increased their prices on eligible/quality goods under the new "star system".

Your child's healthy eating is paramount to our business.

Thank you for your ongoing support.

## Occasional

## Everyday
